

Social Learning with Flip

Flip is a simple, free, social learning app that uses short-form video to make learning fun, fulfilling, and empowering.

Educators, learners, and families can use Flip at school or at home to stay connected and share their continued learning experiences.

Any educator can sign up at flip.com

Educators

Get Started in 5 minutes

1. Create a discussion topic for your community.
2. Add your students to your topic by entering their email domains or IDs.
3. Share the join link or join code.

Students & Families

Share Your Voice in 2 minutes

1. Click the join link or enter the code from your educator at flip.com or on the **Flip app** (available on Android and iOS).
2. Log-in with your school email or ID from your educator.
3. Review the discussion prompt and record your video to respond.
